CITRUS CROP.
CHICAGO, Dec. 17.—From the pres-
ent indications the total citrus crop to
be shipped from California to eastern
states this season will amount to more
than 40,000 carloads, according to a
statement made here today by Hale
Holden, federal railroad director for
the central west region. He also re-
ports that the annual winter exodus of
tourists from the east and middle west
states to California has begun and
states this season will amount to more
promises to be unusually heavy.**Browning Bros. Co.**

A BrunswickWhen it comes to selecting
a Christmas gift, the phono-
graph is one of the first to
be considered. When it comes to selecting
a phonograph, the Brunswick is usually
the choice.**BRUNSWICK**
"ALL PHONOGRAPHS IN ONE"When you make a gift of a phonograph, don't limit the
receiver to the use of one or two makes of records. Make
it possible for him to buy any record he chooses. The
Brunswick plays all records just as they should be played.
By a simple turn of the wrist, the Ultona, Brunswick's great
exclusive feature, is placed properly to play the record
chosen. Then, the great Tone Amplifier, Brunswick's other
big feature, sends forth the tone vibrations in all their
purity and strength.**SEE AND HEAR THE BRUNSWICK TODAY**Let us show you the various styles, play for you any record
you choose and help you make a selection that will please
the person you have in mind. If you desire, convenient
terms can be arranged on any Brunswick.**Browning Bros. Co.**
